And a poet said, "Speak to us of *BEAUTY*."

And he answered:

"Where shall you seek beauty, and how shall you find her
unless she herself be your way and your guide?
And how shall you speak of her
except she be the weaver of your speech?"

Beauty is of soft whisperings. She speaks in our spirit.
Her voice yields to our silences like a faint light
that quivers in the shadow."

EXCERPTS FROM KHALIL GIBRAN'S *ON BEAUTY* (XXV).
