

PUSTYNNNA TARCZA

FROM THE SEEDS OF THE PAST,
SPRING FORTH THE HARVEST OF THE FUTURE
PHILIPPO MAZZEI, 1784

EGZOTYKA

Arguably the most beautiful daughter of legendary sire Probat. Ultra-refined, very correct and charmingly feminine, **EGZOTYKA** is the ideal broodmare. Milky white with an antique fleabitten coat, she was crowned Polish National Champion in 1991 and has produced daughters Eskalopka, Egna and Egzonera who are themselves legends. Her look of the desert and Queenly demeanor carry on still at 27 years young.

WITH INTENSE PRIDE AND INTEGRITY
RAYMOND MAZZEI • (951) 375-6349

One of the most beautiful and prolific broodmares to ever leave Poland, **PUSTYNNNA TARCZA** is the eternal style of the Michałów mare: Majestically feminine, graciously elegant and unconditionally maternal. Perfectly balanced with cadenced athletic movement and distinctly refined with a snow-white sparsely fleabitten coat, *Aldebaran's Queen* brings to life regal desert type. A strong influx of Egyptian blood with two crosses to Aswan through the great daughter Parma, ensure future generations with her elusive beauty of the desert.
